

SOCIETY OF WOMEN ENGINEERS SAINT LOUIS SECTION

New SWE Website

“The Society of Women Engineers (SWE), founded in 1950, is a not-for-profit educational and service organization. SWE is the driving force that establishes engineering as a highly desirable career aspiration for women. SWE empowers women to succeed and advance in those aspirations and be recognized for their life-changing contributions and achievements as engineers and leaders.”

SWE National Conference 2008

“Baltimore is no stranger to revolutionary ideals—be it the American or Industrial Revolution. This makes Baltimore perfect for the largest, most comprehensive gathering of women leading the Technical Revolution: WE08. For women engineers, The Society of Women Engineers’ National Conference is the event for career advancement and professional development.

Join us in leading the revolution. Join us for WE08.”
